

Did You Know....

When you choose to wash your face with Mary Kay

You are directly investing in a woman's independent local business. Helping to build her dreams and goals for her family.

When you choose to wash your face with Mary Kay

Because you are supporting a local business, (not off the internet or purchasing from other outside sources) the money you choose to spend goes right back to the local community.

When you choose to wash your face with Mary Kay

You are supporting a company started by a woman for a woman (Mary Kay Ash) allowing her to build her dream life, with the philosophy of God first, Family second and Career third and the Golden Rule. You are supporting a privately owned 100% debt free company that has been in business for 52 years with over 4 Billion dollars in sales in 2015.

When you choose to wash your face with Mary Kay

You are helping to support American jobs. There are 5100 employees at Mary Kay Corporate and plans for a brand new manufacturing building in Texas bringing more U.S jobs. There are 3.5 million consultants around the world who are saying **Thank You** because you choose to wash your face with Mary Kay. The United States has 600,000 consultants that get up with hope because you choose to wash your face with Mary Kay.

When you choose to wash your face with Mary Kay

You are supporting the environment. When products are made there is 0% land fill. MK teamed up with the Arbor Foundation and for each compact turned in a tree is planted in the bitter root forest. There have been 400,000 trees planted by the company so far and 13 nature explore classrooms have been built around the United States.

When you choose to wash your face with Mary Kay

Women, children and families are safe in shelters because 97% of money donated to the Charitable Foundation goes to eradicate domestic violence. 37.6 Million dollars has been given to shelters since 2000. Domestic Violence is the #1 cause of injury in women ages 15-44. 21.7 Million dollars has gone to find a cure for cancers that affect women since the foundation began. You can help young women and change America just by choosing to wash your face with Mary Kay. The company has partnered with a charity called Don't Look Away-Love is Respect. Any young girl in an unhealthy relationship can text "loveis" to 22522 and receive help.
