Shade 4: Bronze 600, Bronze 607, Bronze 708, Bronze 808

Skin will instantly look highlighted and brightened so you look more rested. This formula is infused with special light reflecting pigments that optically lift those shadowy areas on your face. It is an easy to blend formula that will not settle into fine lines or clog pores. Use after foundation and through out the day for touchup. This does not replace concealer. This will last about 2 months. This product will freshen your appearance throughout the day.
